

RENAULT CLIO

January 2022

Seductive style

Sensual lines, dynamic profile, sculpted sides and assertive presence. From the first look, CLIO attracts you with its dynamic and desirable style. With its tidy finishes, it combines modernity and robustness: C-shaped signature, full LED lighting, finely integrated chrome finishes, brilliantly showcased in the new signature Valencia Orange metallic colour.

A perfect smart cockpit

On the interior, every detail counts. CLIO has undergone a revolution, offering quality materials and finishes. With its new high-tech, driver-orientated cockpit, its sporty seats and the MULTI-SENSE customisable ambient lighting, enjoy a driving experience which will awake your senses. Settle in to the future at the wheel of CLIO, and stay ahead: large multimedia 9.3" touch screen*, customisable driver screen and electric handbrake†!

* Standard on R.S. Line. Optional on Iconic.

† Available in an option pack on R.S. Line

*Optional - Interior R.S. pack

Driving pleasure and comfort on board

The CLIO offers a large choice of engines. With the new TCe 130 engine* featuring the automatic EDC transmission with steering wheel paddles, CLIO has top-level performances whilst ensuring impressive fuel consumption.

Thanks to its dynamic chassis, and its direct and precise steering, no more boring roads!

The driver will not be the only one smiling on board: the suspension and soundproofing have been improved for everyone's comfort.

* Available on R.S.Line

† Optional on Iconic / R.S.Line

*Optional - Interior R.S. pack

* Optional - R.S. Interior Pack

Renault CLIO R.S. Line: stand out through sportiness!

CLIO R.S. Line stands out with its sportiness, which it gets from its Renault Sport DNA. The exterior design sets the tone: sporty front bumper with F1 blade emblematic of R.S. Models, honeycomb lower grille, Glossy Black insert on grille, 17 inch R.S. Line diamond-cut wheels, rear underskirt with spoiler and oval chrome exhaust finisher. This unique personality is summed up by the R.S. Line badge on the front wings and boot door.

The cockpit confirms this sporty character with a carbon look enhanced by red contrast stitching: sport seats with strengthened side supports, perforated leather sport steering wheel with double diamond, aluminium pedal unit, dashboard and seat belts with a striking red line*. The black headlining and the driver-focused high-tech cockpit complete this resolutely sporty and technological atmosphere. Passion stimulated by every detail.

* Optional on R.S. Line

Grey dashboard optional on R.S. Line

Stay connected... in total freedom!

At the heart of the cockpit, the EASY LINK system* offers the largest screen in its category, and is totally customisable. Perfectly integrated with the Renault EASY CONNECT universe, it all starts before you have even stepped inside. Thanks to the MY Renault smartphone application, locates your car and guides you to it.

Once on board, the EASY LINK system, compatible with Android Auto™ or Apple™ CarPlay™†, gives you access to all your multimedia content in the blink of an eye.

The onboard navigation delivers a huge amount of information in real time: traffic density, to incidents or service stations on your journey.

As simple and effective as Google Maps: the Google address search! All you need is two or three key words to search your destination, you do not have to know the exact address.

Thanks to the Auto-Update function, you can be sure that your system and TomTom mapping are automatically updated.

Finally, with the wireless smartphone charger**, you can easily stay connected to your online world.

Android Auto™ is a trademark of Google Inc.

Apple CarPlay is a trademark of Apple Inc.

* Standard for Iconic / R.S.Line

** Available in an option pack on R.S. Line

†For compatible devices, please refer to <https://www.renault.ie/services/multimedia/compatibilite-bluetooth.html>. Connecting a mobile phone to use Bluetooth® should only be done when the car is parked safely. Use of the system should always be in accordance with the law. Drivers should only use the system when it is safe to do so. Drivers should be aware of the potential for hands-free technology to distract attention from the road, which could impact on having full control of the vehicle.

Grey dashboard optional on R.S. Line

E-TECH Launch Edition Hybrid

All-New CLIO E-TECH Hybrid

With its new hybrid engine, All-New CLIO E-TECH Hybrid offers you unprecedented driving pleasure. It combines acceleration, responsiveness and fuel economy of the E-TECH Hybrid technology keeping the versatility and comfort of the All-New CLIO. In town you can experience all-electric driving, synonymous with silence and fuel savings. On the road, thanks to its power of 140 hp, All-New CLIO E-TECH hybrid brings confident acceleration and the pleasure of its instant responsiveness. E-TECH Hybrid is available on all trim levels.

E-TECH

3.

Renault EASY DRIVE

The innovative technologies on board CLIO are with you every second for a simplified drive.

1. Cruise control / speed limiter

Set your speed or your maximum speed. Steering wheel controls allow you to set parameters in a few instants.

2. Renault LED Pure Vision

CLIO is equipped with powerful Full LED Pure Vision headlights across the range. As well as automatic main beam headlight activation** for better visibility.

3. Hands-free parking*

Let your CLIO carry out a perfect parallel parking manoeuvre in the blink of an eye using the Easy Park Assist hands-free parking function. Parallel, perpendicular, angle... no space is too difficult for CLIO!

4. 360° camera*

CLIO is equipped with 4 cameras whose images reconstitute the vehicle's 360° direct environment. Execute your manoeuvres effortlessly and protect the irresistible style of CLIO!

5. Traffic Jam companion*

A unique innovation in the segment, CLIO is capable of staying at the centre of its lane and managing its speed in line with the traffic until it comes to a complete standstill. This assistant gives you more peace of mind in your motorway journeys or in the event of dense traffic.

* Optional on R.S. Line

** Standard on R.S.Line

On-board intelligence safety

CLIO has the most modern technologies, providing you with optimal safety.

1. Lane keeping assist†

Prevention is the best kind of safety. That is why CLIO offers, as standard, systems to warn you when you leave your lane and active assistance to stay in it.

2. Road sign recognition†

CLIO informs you via the dashboard of speed limits using a camera which recognises road signs.

3. Blind Spot Warning**

CLIO detects the presence of any vehicle in or approaching your blind spot, and alerts you with a light signal in the door mirrors.

* Available in an option pack on R.S. Line

† For full instructions please refer to the Owner's Manual

Accessories

Experience your CLIO to the max with our range of accessories

1. Underbody Welcome Light. Don't get lost again in a poorly lit car park. New CLIO lights up automatically when you either approach it or merely press a button on the key.

2. Shark Antenna. Add a sporty touch with the Shark Antenna, perfectly integrated in to the shape of your New CLIO.

Compatible with digital audio broadcasts (DAB).

3. EasyFlex Modular Boot Protection. Essential for protecting the boot of your New CLIO and transporting larger objects. Fold and unfolds easily, adapting to the rear seat position. When fully extended, it covers the whole load space. Multi-purpose and practical, both for everyday use and leisure activities.

4. Bodywork Protection Film. Take complete care of your New CLIO. Protects against impact and scratches to keep your car looking as good as new.

Available in a Full Car Protection Pack or in smaller packs to cover separate sections of the vehicle.

5. Illuminated Door Sills*. An elegant and modern touch every time you open the door of your New CLIO. Finished with the CLIO logo, these stainless steel and aluminium finished door sills also protect your vehicle's doors from damage.

*Also available in a non-illuminated version.

Accessories are fitted post-production, and may have an impact on real world fuel (actual) consumption and CO₂ figures.

*WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures however for 2019 the vehicle tax calculation is still based on the outgoing (NEDC) test cycle. The NEDC back translated CO₂ figures are available at your local dealer. WLTP emissions and consumption values shown are for a standard vehicle with no options. Most Renault cars are fitted with an optional spare wheel at no extra cost, which will typically increase the WLTP CO₂ emissions by 1 g/km. Your dealer will be able to confirm the CO₂ emissions of your selected car with its specified options.
